## Family Matters

Thanks so much for all of your prayers this past year for our 4-year-old grandson Frederick Fozounmayeh. We have good news! Frederick was to have major surgery to repair his kidney/bladder this past week. However, when they removed the stints in a pre-operation procedure, his kidneys and bladder continued to work, to the doctors' surprise. Instead of surgery, he remained in the hospital and they monitored the urine flow. They informed us all that Frederick's "body is working," and no surgery is required! This is the news we have been praying for. He left the hospital on Wednesday and will be monitored closely, but so far, so good! -- *Mike and Nancy Jordan and the Jordan Family*
